

Notice of termination of SG Hiscock Funds

Fidante Partners Services Limited & Fidante Partners Limited (**Fidante**), in their respective capacity as Responsible Entity of the following Funds (**Funds**):

SG Hiscock Property Opportunities Fund;
SG Hiscock Property Opportunities Fund (Closed);
SG Hiscock Premier Property Opportunities Fund;
SG Hiscock Professional Property Fund; and
SG Hiscock Property Fund

have determined it is in the best interests of unitholders to terminate the Funds and distribute the Funds' net proceeds to unitholders. In accordance with the terms of the Funds' constitution, Fidante resolved to terminate the Funds on 21 March 2024 (**Termination Date**).

Reason to Terminate

Over the recent years, demand for these strategies have been in decline and SG Hiscock (**SGH**) in its capacity as distributor have advised they do not expect demand for these strategies to improve in the future. In light of these factors, the Funds are now not considered to be viable.

Wind-up process

We will have an orderly process to realise the assets of the Funds. On a later date after the Termination Date, net proceeds will be distributed to remaining unitholders according to the number of units held. The final termination payment/s will be made to unitholder's nominated bank account in due course. If required, unitholders can update their bank account details by completing a Change of Details form which can be accessed using the following link [Fidante Change of Details Form](#).

A full breakdown of components of the termination payment/s will be provided in unitholder's AMMA statement which we will send out following the end of the respective financial year.

Wind Up Costs

No Fund termination or wind up costs will be passed on to investors.

31 March Distribution

As a result of the Fund's 21 March termination date, the payment of the net termination proceeds will replace the usual 31 March quarterly distribution process.

What does this mean for unitholders?

To ensure all investors in the Funds are treated fairly and equally, from the Termination Date, transfer and redemptions of units will cease. The Funds will be unable to accept any applications or reinvestment of distributions in respect of the Funds. During the winding up of the Funds, we will continue to act in the best interests of unitholders and in accordance with the Fund's constitution.

Please note portfolio assets remain subject to market movements until they have been fully realised. During the wind up process, the Funds are each expected to hold an increasing component of cash.

What do unitholders need to do?

In order to ensure investors receive final payments in a timely manner, we require you to provide us your nominated bank details if you have not done so already. If you have not previously supplied your bank account details, please complete the change of details form (link included above in "Wind-up process") and return it as soon as possible to;
